

Joshua Hedges-Turner

Front-End Engineer

As a highly motivated and adaptable junior front-end engineer, I am eager to contribute my skills in HTML, CSS, JavaScript, and React to a dynamic team in a UK-based company. With a strong foundation in web design, version control, and a willingness to learn, I am excited to embark on my journey in the tech industry and make meaningful contributions to your projects while advancing within the company. See portfolio in personal projects for more information.
